

Lotus is a pioneer in the field of Electronic Security products in India. With a history of offering high quality products and solutions to the most complex projects in the country, the name lotus has now become buzz in electronic security and products. We strive to produce innovative and superior products for the security market we serve. We conduct our business ethically with our customers .

Our growth and success is based on unique concepts in marketing of Electronic Security Systems and Public addressing systems. With CCTV, Fire Service and Fire Suppressors, with Fire Sprinklers that are essential for industries and domestic fire safety measures, the Lotus Integrated Systems is capturing and establishing itself as a 'Leader' in the security systems with distinctive innovative products .

Products

CCTV Cameras

Record in high resolution for Surveillance purposes, it can be either video cameras, or digital stills cameras. Installed for all industries, shops, hospitals, houses. With a fleet of different brands .

Fire Alarm Systems

fire alarm with addressable and conventional For the greatest possible protection, Fire Systems operate with a full range of proven, high-performance: accuracy and ease-of-use for building, personnel installers, and firefighters. that make its designed in simple way to handle. Easy installation features, maintenance capabilities.

Detection:

- Spot type heat detection
- Linear heat detection
- Air sampling smoke detection
- Standard smoke detection
- Sophisticated gas & flame detection

Manual Stations:

- Discharge stations
- Key lock-out Stations
- Abort stations

Audible and Visual Devices:

- Alarm horns.
- Alarm strobes.
- Alarm bells.
- Explosion proof products.
- Combination units.

Fire suspension systems

- Clean Agent Suppression Systems using Novec 1230
- Fluid
- FM-200 Suppression Systems
- Carbon Dioxide Suppression Systems
- Foam Suppression Systems
- Vortex™ Suppression Systems
- Water Based Suppression Systems

Warehouses
Industrial equipment
Domestics
Power plants
Basements
